**After a gap of a couple of years we are delighted to say that the PHAB Leeds Newsletter is back to keep you informed of news and topics .**

**Last year we celebrated our 50th Anniversary with lots of activities ending with a sponsored walk/wheelchair push at Kirkstall Abbey. This was highly successful and enjoyed by all concerned. The event was supported by many PHAB members and the fantastic news is that it raised over £1,800 for our club funds. A massive thank you to everyone who participated.**

**New Mini Bus**

**On 6 December 2019 the Lord Mayor officially handed over the keys for our new mini bus to Chairman Mike. Many thanks to all who made this possible and Pete Kent for the great art work**

## PHAB Utd

The power-chair football team continues to enjoy meeting at Temple Moor School for training followed by pub visit. We hope to resume later in the year. If possible we will be playing in the Murray Watson Cup at The Edge but this will depend on Government policy and guidelines -

Traditional Carol Service at  
Leeds Minster on 5 Dec 2019

Always very popular with  
PHAB Members

## WHAT'S ON

**Leeds PHAB management regrettably advise that this club is now closed until at least April 24th.**

**We hope to be able to reopen after Easter on 24th April unless UK Government advise otherwise.**

**This decision has been made due to the worries of contact with coronavirus, and in order to protect our older and more vulnerable members from the risk of infection.**
